We would like to establish a new Junior Board to assist with running SMCHA's Junior Program for 2010. The Junior Board would consist of the following officers: President, Vice President, Secretary

The role of the Junior Board will be similar to other clubs where you may have been a member. For example, 4H, FFA, Art Club, etc. The Junior Board will create ideas and organize activities and events. The organization of these activities will include coordinating a schedule, creating flyers, advertising and working within a budget. Of course, the adult Junior Committee will oversee your efforts, making sure disclosures are signed, schedules are coordinated and reviewing financial aspects.

**WE NEED YOU!** If you are interested, please come prepared to give a short presentation about yourself, including your name, age, position you are interested in running for and your experience in previous clubs or committees. Following your presentations, a vote will be taken. The one-year term of the newly elected officers will begin in January, 2010.

Please contact one of us if you will be attending and/or if you are interested in running for one of the positions. If you cannot attend and are interested in running, please send a paragraph as outlined above, which will be read during our meeting on December 6. We will notify you if you are elected.

We look forward to celebrating the end of another fun year and can't wait to embark on the 2010 Junior Program with your assistance and great ideas.
