

HORSE SAFETY CLINIC

THE PURPOSE OF THIS CLINIC IS TO LEARN HOW TO PREVENT ACCIDENTS WHEN
HANDLING HORSES ON THE GROUND AS WELL AS MOUNTED

SPRING DOWN EQUESTRIAN CENTER

Presents

Winner of the 2009 WHOA Hall of Fame Award

CAROL GOODSTEIN – INSTRUCTOR

July 17, 2010

1 – 3PM

PRICE:\$85.00 PER PERSON

Some of the topics to be covered are:

- How a horse thinks and relates to its handler/rider
- How to catch, lead, groom, tie and tack-up safely
- How to longe a horse safely
- How to teach a horse to stand quietly when mounted
- How to take precaution against a spook, rear, buck or other violent behavior
- How to stop a run away horse
- How to punish a horse safely
- Perform a one rein stop
- What to do if your horse will not go forward
- Safety equipment that can aid the rider
- How to do an emergency dismount

This clinic is a must for anyone who rides or handles a horse, as safety for you and your horse is the most important part of riding.
