

*DO YOU HEAR OPPORTUNITY KNOCKING?
SMCHA SENIOR COLOR GUARD UNIT DOES!*

Openings are available for dedicated members that enjoy showing their horses looking their absolute best while wowing spectators as we proudly carry our country, state, and club flags.

We introduce new horses carefully and by parade time they are fully schooled with the flags and crowds (which also makes for a very mannered trail horse!). We are fully equipped with all tack and outfits, we just need to fill a few spots to ensure another wonderful year.

******Try outs and practice dates to be announced soon******

I urge you to consider riding with us, making great friends, finding out how wonderful your horse really is, and of course, enjoying yourself immensely as part of the "A" Team for SMCHA!
